

Plant peas on Washington's Birthday

February

In the Gardens:

- Record and sketch in garden journals.
- In the Wildlife Habitat, watch for Indian plum, and flower buds on red flowering currant.
- Plan salad or stir fry garden.
- Check weather conditions.
- In February, each class will be reassigned a new bed for planting a spring garden.

Garden Maintenance:

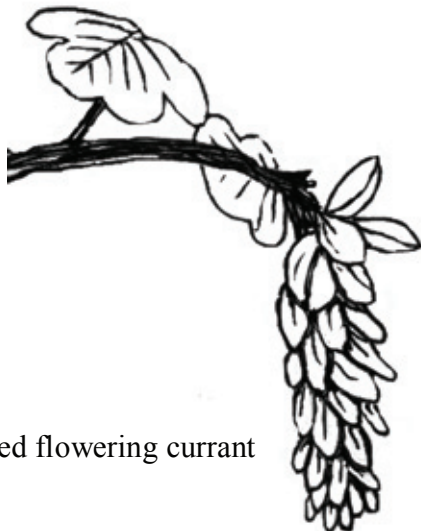

- This is a good time to put new soil or compost in the garden beds.

Garden Reps/OLG Committee:

- Think ahead! OLG and teacher garden committee begin planning for Legacy Garden planting and related fall class projects.
