

## July

### In the Gardens:

- Teacher/parent reps start seeds at home for transplanting into garden beds in fall.
- Add compost to potatoes planted in cages.

### Garden Maintenance:

- Continue summer maintenance and watering plans. Water early or late in the day.
- Playground trees might need a deep soak in July to conserve water.
- Schedule a harvest and weed party.
- Plan Community Service Day for late August.

### Explore the Neighborhood:

- Visit Montavilla and Lents Farmers Markets (open Sundays).
- Visit Zenger Farms, Leach Gardens, Mount Tabor.
